SUBJECT: MTCR: GREEK MFA ON PROPOSED CHANGES TO UAV/CRUISE
MISSILE CRITERIA

REF: SECSTATE 23826

Classified By: DEPUTY POLCOUNS PAUL CARTER. REASONS 1.4(B) AND (D)

11. (C) POLOFF delivered Reftel MTCR points to MFA D1 Directorate for International Organizations and Nonproliferation officer Dionyssios A. Kyvetos. Kyvetos reported that the Government of Greece (GOG) was in agreement with the U.S. proposal on Modifications to UAV/Cruise Missile Criteria, which was first discussed at the Missile Technology Control Regime (MTCR) Technical Experts Meeting (TEM) in Copenhagen in September 2006. He did not anticipate that the GOG would have any substantive comments on the revised proposal before the March 2007 MTCR TEM in Oslo.
